

Wiring diagrams Panther 6-15 kW

Manual 3-stage fan speed regulation and output limitation in stages 0-1/2-1/1 via control panel PP15.

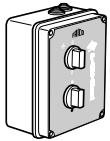

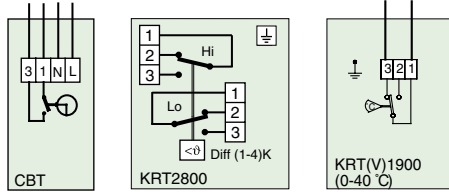

Wiring diagrams Panther 6-15 kW

Wiring of accessories to Panther 6-15.

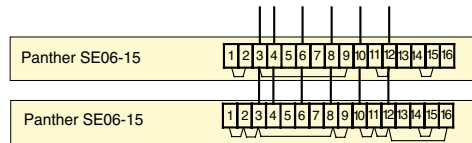

Panther 6-15 kW

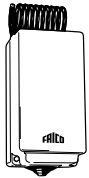

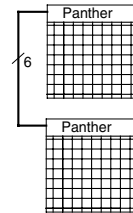

PP15, control panel

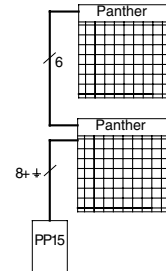

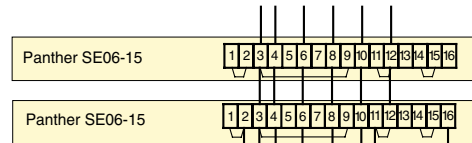

Without accessories

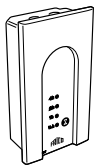

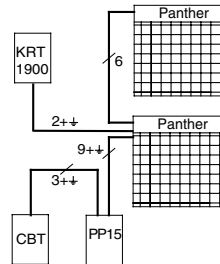

Full fan speed
Max. heat output

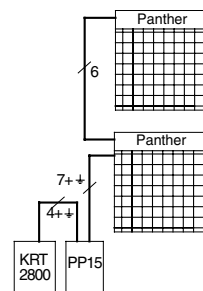

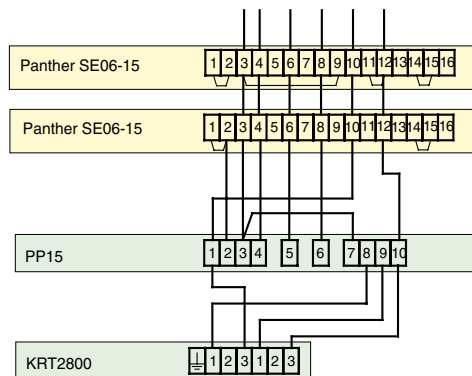

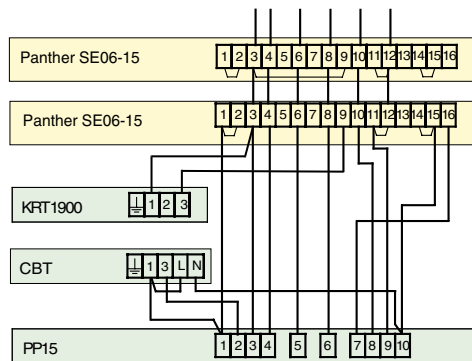

KRT1900, capillary tube thermostat

KRT2800, 2-stage capillary tube thermostat

CBT, electronic time switch

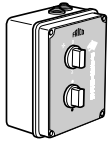

Fan Heater Panther

Wiring diagrams Panther 20 kW

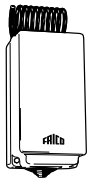

Manual 2-stage fan speed regulation and output limitation in stages 0-1/2-1/1 via control panel PP20 and external thermostat. Slave connection. Timer connection.

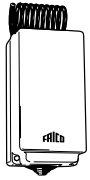

Panther 20 kW

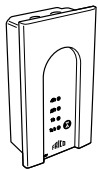

PP20, control panel

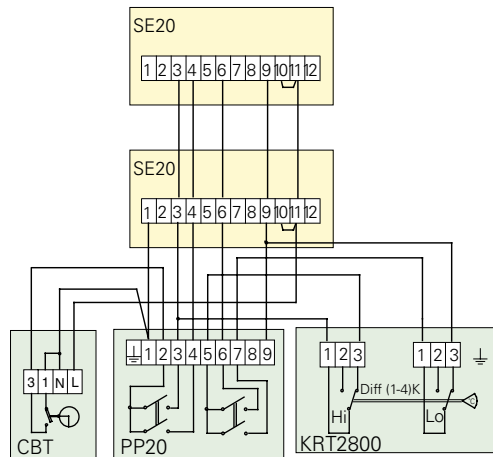

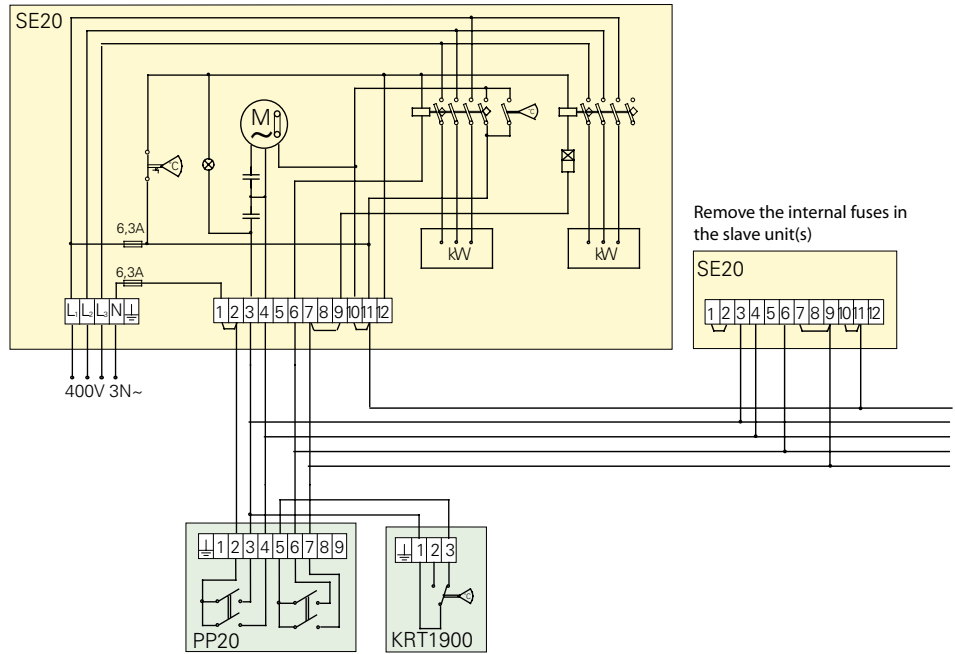

KRT1900, capillary tube thermostat

KRT2800 2-stage capillary tube thermostat

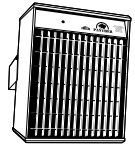

CBT, electronic time switch

Wiring diagrams Panther 30 kW

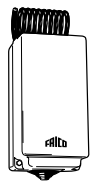

Manual 2-stage fan speed regulation and output limitation in stages 0-1/3-2/3-1/1 via control panel PP30 and external thermostat. Slave connection. Timer connection.

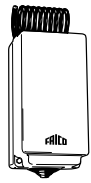

Panther 30 kW

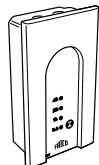

PP30, control panel

KRT1900, capillary tube thermostat

KRT2800 2-stage capillary tube thermostat

CBT, electronic time switch
